HIGHLIGHTS & SHARE-OUT

A SHARED CALL TO ACTION

On June 18, 2020, over 150 members of the YouthBuild community participated in a virtual conversation about Anti-Racism, Black Lives Matter, and a Call to Action. We were grateful to have leadership from YouthBuild USA's Board of Directors, Executive Leadership Team, and the National Directors Council present. Our YouthBuild community shared their hurts, concerns and how to take a stand to unroot racism.

SHOUT IT OUT!
PROTEST STATEMENTS READ BY JOHN VALVERDE

We must be committed to being anti-racist and calling out racism when we witness it!

I need you to have my back and I want you to know I have your back.
We must stand together!

We believe that all lives matter, but that won’t matter until black lives matter!
